

# Sweet and Savory Sausage Balls

Recipe from [Plainchicken.com](http://Plainchicken.com)

## INGREDIENTS:

- 1 lb maple sausage, uncooked
- 1 (8-oz) package cream cheese, softened
- 1 (15-oz) box Krusteaz Honey Cornbread & Muffin Mix
- 1½ cups shredded cheddar cheese

**NOTES:** If you can't find Krusteaz, you can use two boxes of Jiffy Cornbread Mix. You can substitute your favorite sausage. I used Jimmy Dean Maple! The dough will be a little sticky but don't add additional cornmeal or flour!!

1. Preheat oven to 400°F.
2. Mix all ingredients until well combined. (I used the dough hooks with my hand mixer, though you can mix by hand or with a KitchenAid mixer!
3. Use a small cookie scoop to scoop dough and roll into 1-inch balls.
4. Place on a rimmed baking sheet. Bake for 18 — 22 minutes, or until brown.
